VI	Fees from Travellers Bungalow	88	80	100
IX	Miscellaneous	3,808	4	400
	Total	87,212	88,090	83,400

2. I 76 per cent of Local cess. The estimate of Rs 76.500 is fair and is passed.

3. II Sale of Stray Cattle and III Fines for Cattle Trespass The estimate of Rs 3500 entered under these heads is justified by the actuals of 1892-93, but before finally accepting the estimate the Dy Comr is requested to explain whether the actuals and estimate represent gross revenue

be collected from the Lakshmipur or Kollunghaut Toll revenue is creditable to D.F. from 1894-95.

(6) IX Miscellaneous. The actuals are stated to include Rs 3344 realized from "Savings amount of w[illegible] works &c", which accounts for the increase in the estimate. Of the amount represents the unspent balance of money drawn for expenditure on wells out of ~~D.F.~~ L.F. Fd; the amount should have been credited to L.F. Fd and not to D.F. The Dy Com is requested to explain the matter. The estimate under this head is

stated

of

exceeds the receipts by Rs 15,530

The charges have therefore to be reduced.

(9) The provision made for Civil charges for 1894-95 is less than that sanctioned for 1893-94 by Rs 900 as shewn in the following statement

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 13th June 1894.

READ:—

Docket, dated 16th February 1894, No. 782—640, from the Deputy Commissioner of the Shimoga District, submitting the District Fund Budget Estimates of the Shimoga Circle for 1894-95 together with a copy of the Proceedings of the Local Fund Board, dated 19th idem, approving of the same.

No. 21694-8—L. F. 232-93, DATED 13TH JUNE 1894.

ORDER THEREON.—The District Fund Board of the Shimoga Circle estimate their income for 1894-95 at Rs. 83,400 against Rs. 87,212, the actuals of 1892-93, and Rs. 88,090, the sanctioned estimate for 1893-94, as shown hereunder:—

Items.	Details.	Actuals of 1892-93.	Estimate for 1893-94.	Estimate for 1894-95.
		Rs.	Rs.	Rs.
I	Seventy-six per cent of Local Cess	76,559	79,732	76,500
II	Sale of Stray Cattle	1,040	4,974	3,500
III	Fines for Cattle Trespass	2,436		
IV	Ferry Collections	3,283	2,890	2,900
V	Tolls	...	444	...
VI	Fees from Travellers' Bungalows	88	50	100
IX	Miscellaneous	3,808	...	400
	Total.....	87,212	88,090	83,400

2. (*I*) *Seventy-six per cent of Local Cess.*—The estimate of Rs. 76,500 is fair, and is passed.

3. (*II*) *Sale of Stray Cattle, and* (*III*) *Fines for Cattle Trespass.*—The estimate of Rs. 3,500 entered under these heads is justified by the actuals of 1892-93, but before finally accepting the estimate, the Deputy Commissioner is requested to explain whether the actuals and estimate represent gross revenue including fodder charges and remuneration to pound-keepers, as they ought to do, or the net revenue after deducting the charges. In the latter case, the correct amount of gross revenue should be reported. The Deputy Commissioner should also report the estimate under each of the two heads II and III, for which a lump sum is now given.

5. (*V*) *Tolls.*—No estimate is entered under this head as usual. But under Government Proceedings, dated 6th June 1894, No. 20998-21007—L. F. 295-92, a sum of Rs. 900 will be entered in the Budget, as the revenue expected to be collected from the Lakshmipur or Kollurghat Toll ~~revenue~~ gate is creditable to District Fund from 1894-95.

6. (*IX*) *Miscellaneous.*—The actuals are stated to include Rs. 3,344 realized from "Savings amount of well works, &c.," which accounts for the increase in the estimate. If the amount represents the unspent balance of money drawn for expenditure on wells out of Local Funds General, the amount should have been credited to Local Funds General, and not to District Fund. The Deputy Commissioner is requested to explain the matter. The estimate under this head is stated to be the revenue expected from "Cattle pound expenses." What is meant by this is not celar. The nature of the item and the source from which it is expected should be clearly explained. Meanwhile, the estimate will stand.

8. The Deputy Commissioner estimates a minus balance of Rs. 16,430 against the District Fund of the Circle at the commencement of the year. Excluding this amount, the sum available for expenditure during 1894-95 is only Rs. 67,870. But the estimated expenditure amounts to Rs. 83,400, which exceeds the receipts by Rs. 15,530. The charges have therefore to be reduced.

		Rs.
I.	Civil Charges	14,869
II.	Public Works to be executed by Public Works Department	65,441
III.	Do do by Revenue Department	3,090
	Total ...	83,400

9. The provision made for Civil Charges for 1894-95 is less than that sanctioned for 1893-94 by Rs. 900 as shown in the following statement:—

Items.	Details.	Estimate for 1893-94.	Estimate for 1894-95.
		Rs.	Rs.

VIII	Refunds	20	20
IX	Contributions	...	...
X	Miscellaneous	3,300	3,500
	Total ...	15,769	14,869

10. (*I*). *Office Establishment.*—A sum of Rs. 15 will be added under this head, to meet the increased contribution payable towards the salaries of the two temporary Clerks entertained in the Dewan's office.

11. (*II*). *Medical Scholarships.*—The sanctioned amount that has to be entered under this head on account of scholarships payable to the students undergoing training in the Madras Medical College, is Rs. 430, and not Rs. 521. The former figure will be inserted in the Budget.

12. (*III*). *Hospitals and Dispensaries.*—The decrease under this head is the result of variations noted in the margin.

Decrease.	Rs.	*Increase.*	Rs.
1. Tirthahalli House rent ...	64	Kallurkatte Charge Allowance ...	30
2. Diet to in-patients reduced from Rs. 200 to 100 ...	100	Total ...	30
3. Kallurkatte furniture ...	192		
Total ...	356		

Item 2. There are at present ten Dispensaries in the District, excluding the Branch Dispensary at Shimoga, and the amount that has to be provided is Rs. 250 at the rate of Rs. 25 for each Dispensary. It is not clear why only Rs. 100 are provided. Probably the amount is considered sufficient, and the estimate is therefore accepted. The other variations call for no remarks.

13. (*IV*). *Midwives.*—The increase of Rs. 230 proposed under this head is in accordance with the revised scale of midwives sanctioned in Government Proceedings, dated 7th September 1893, No. 4629-40—L. F. 55-93. The estimate is approved.

I.—Read the following Budget Estimates for the year 1894-95 :—

1. Consolidated Budget Estimate of Receipts and Expenditure for 1894-95.
2. Statement showing the assets upon which the local cess has been calculated for 1894-95. Ex. A.
3. Details of original works proposed to be executed by the Public Works Department and Revenue Department for 1884-95. Ex. B.
4. Details of allotment of expenditure on repairs of roads, &c., to be carried out by the Public Works Department and Revenue Department during the year. Ex. C.
5. Statement showing the details of Civil charges for 1894-95 audited by the Comptroller. Ex. D.
6. Statement showing the Talukvar Estimates of Receipts and Expenditure for 1894-95. Ex. E.

II.—The balance at the credit of the Board on 1st July 1893 was Rs. 36,856-5-2 as per Comptroller's Docket No. 625, dated 27th September 1893, and the estimated Receipts for 1893-94 was .. .. Rs. 88,090 0 0

Deduct the estimated Expenditure as per sanctioned Budget and modified grant for 1893-94 .. .. „ 67,663 0 0

The opening Balance on 1st July 1894 would be .. .. „ 16,430 0 0

Add estimated Receipts for 1894-95 .. .. .. „ 83,400 0 0

Total .. 66,970 0 0

Thus the total assets available for expenditure for 1894-95 is 66,970-0-0.

As the amount available for expenditure is too small to meet the cost of the urgent works that are to be undertaken, the Board resolve to move the Government to grant sufficient funds from Provincial funds for the Malnad road system to enable the Board to wipe off the minus balance of Rs. 16,430 spent on western Malnad roads. The estimate of expenditure has therefore been framed upon the total assets of Rs. 83,400-0-0.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 13th June 1894.

III. The following provision has been made under the main heads, the particulars of which are given in detail in the Budget :—

		Rs.	A.	P.
i.	Original works to be executed by Public Works Department ..	.. 23,531	0	0
ii.	Repairs ditto ditto ..	.. 30,810	0	0
iii.	Establishment charges audited by the Examiner, P. W. Accounts	.. 10,900	0	0
iv.	Tools and Plant	.. 200	0	0
	Total ..	65,441	0	0
i.	Original works to be executed by Revenue Officers ..	.. 500	0	0
ii.	Repairs	.. 2,590	0	0
iii.	Charges on account of sanitation and conservancy of populous villages	3,000	0	0
iv.	Civil charges as per Enclosure D to the Budget	.. 11,869	0	0
	Grand Total of estimated Expenditure	. 83,400	0	0

The estimated Expenditure of Rs. 83,400 is thus restricted to the total assets of Rs. 83,400, not taking into account the minus balance of Rs. 16,430 as explained by the Executive Engineer in the memo appended to the draft budget.

IV. Proposed by the President that two sweepers at Rs. 4 each may be entertained to look after the Courpalais Chattram at Shimoga which is approaching completion.

Resolved that necessary provision be made in the Budget subject to the approval of Government.

V. Read and recorded Government Proceedings No. 12763-5—L. F. 117-92, dated 3rd instant, sanctioning the supplemental District Fund Budget for 1893-94.

VI. Read Forest Inspector General's Memo No. 2194—146, dated 25th ultimo, forwarding copy of the Chief Secretary's Docket No. 11035—1206, dated 15th ultimo, stating that a cash grant from Local Funds to Irachandraiya of Kirawasi, Sagar Taluk, for building a chendrasala, seems more suitable than a free grant of 50 cart-loads of wood.

The Board regret that they are not in a position to make a cash grant as the funds at their disposal are limited.

VII. Read and recorded Government Proceedings No. 12781—L. F. 144-92, dated 5th instant, stating that Government are not prepared to sanction any proposal which would impose additional charges on the impoverished District Funds of Shimoga in regard to the proposal of giving a monthly allowance of Rs. 15 to the Hospital Assistant at Benkipur.

VIII. Read the marginally noted correspondence regarding the election of Local Fund Members.

To Chief Secretary No. 99—80, dated 31st July 1893.
Government Proceedings No. 1793—381-92.
To Chief Secretary No. 465—384, dated 11th November 1893.

The Inamdars of alienated villages in the District having failed to elect an Inamdar as a member in accordance with the *Notification published in the Mysore Gazette, No. 46, dated 16th November 1893, the Deputy Commissioner has re-appointed Mr. Nadig Mojappa of Shimoga, Agent of Sringeri Matt.

*Dated 10th November 1893.

Proposed by Mr. Nanjunda Naidu that Mr. Nadig Timmappa, an old member on the Board since October 1875, might be re-elected.

Carried *nem con.*

Resolved that a modified list of members be submitted to Government for publication in the Mysore Gazette.

IX. Read Government Proceedings No. 11216—L. F. 23-93, dated 16th ultimo, stating that the special meeting convened on the 7th October last cannot be recognized for reasons therein stated and requesting that the subjects may be placed before the meeting of the Board and their approval obtained.

Recorded with the observation that the works proposed to be carried out from Local Funds General during 1893-94 have the approval of the Board. The Local Funds General Budget has since been sanctioned by Government. *Vide* Proceedings No. 7895-6—L. F. 114-93, dated 14th November last.

X. Read and recorded Executive Engineer's Dockets Nos. 863 and 6, dated 13th and 29th December last, respectively, forwarding certain completion bills.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 13th June 1894.

XI. Read and passed the monthly accounts of Receipts and Expenditure of District Funds for the months of October, November and December 1893 :—

Memorandum to accompany the Shimoga District Local Fund Budget for the year 1894-95.

Estimate of Receipts.—The total estimated receipts for the year amount to Rs. 83,400. According to the estimated balance at the end of 1893-94 as per Comptroller's figures, there is Rs. 16,430 to the debit of the Board. This sum should have been deducted from the estimate for 1894-95. But many important and urgent works have to be provided for during 1894-95, and most of these will be found indispensable, *vide* remarks against them elsewhere under "Estimate of Expenditure." It was therefore proposed and resolved by the Board that the Government be solicited to at least transfer the minus balance of Rs. 16,430, if not the whole expenditure incurred on the opening of Sagar-Malnad and Channagiri systems of roads from District Funds to Provincial Funds, leaving the total estimate of receipts available for expenditure during 1894-95. In the resolution of Board's Proceedings No.—, dated 10th November 1893, the Government were solicited to transfer the two systems of Sagar-Malnad and Channagiri Taluk roads to the Provincial Funds with the expenditure incurred therein from District Funds amounting to Rs. 83,561. These recommendations are still pending with the Government. Pending their final orders, the amount of minus balance of Rs. 16,430 is not deducted from the receipts for 1894-95 and the budget of expenditure is prepared to the full amount of receipts, namely, Rs. 83,400.

Budget of Expenditure.

A.—Public Works to be executed by Public Works Department. I.—Original Works.—Civil Buildings—A sum of Rs. 1,756 is entered in the Budget to meet the $\frac{1}{3}$ cost of in-patients' wards to the Dispensaries already built as per Government Order No. 4071-53—L. F. 117-93, dated 16th October 1893, details shown in the Budget.

Communications.—There are fifteen items of work included under this head; of these the first five refer to the Sagar-Malnad and Channagiri systems of roads proposed to be transferred to the Provincial Funds. No allotments have been made for them in the Budget.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 13th June 1894.

Items 6 and 7.—Metalling and tunnelling Sagar-Siralkoppa and Siralkoppa-Hirekerur roads.—The estimate for the first work was sanctioned during 1893, but work had to be stopped for want of funds. The traffic on these two roads is very heavy and metalling is very urgent. The continuation of this road in the Bombay Presidency to Gyadgi is 26 miles, of which 14 miles have been metalled and the rest are being gradually metalled.

Item No. 8—Bridging Koppa-Tirthahalli road.—The formation of the road is completed with minor tunnels. There are six small streams which require bridging. Its total cost will be about Rs. 8,000. Near these unbridged streams, temporary diversions have to be made over heavy paddy flats or the roadway carried over temporary log tunnels with steep approaches. Both these expedients are unsatisfactory and very trying for the traffic. They are further to be maintained at heavy outlay more than once every year.

Item No. 9.—Opening Holehonnur-Kudligere road.—Holehonnur, a large and flourishing village in the Shimoga Taluk, is now unconnected with any road system. A country track is maintained from Shimoga to the village with the Bhadra river to cross over. A road from the village to Kudligere on Chitaldroog-Benkipur road will connect it with the present road system with no large rivers to cross. This will also be a good feeder line to Holalkere Station of the Mysore State Railway.

Item No. 10.—Metalling Chitaldroog-Benkipur road between Joladahal and Danavadi.—This part of the road was gravelled with selected good stuff during the past two years but the traffic being heavy since the completion of the large bridges and the road being an important feeder to Holalkere Station and Bellary *viâ* Chitaldroog, the gravelled surface wore very badly. This section passes over the ranges of the hills between Joladahal and Kollipur through thick bamboo jungle. Good gravel is not available except at selected quarries. The annual allotment is insufficient to frequently maintain the gravelled surface as gravel had to be carted from long leads. If the portion be once metalled, it can be maintained in a trafficable order with the annual allotments. The estimated cost of metalling will be about Rs. 4,000, of which Rs. 2,000 is provided for 1894-95.

Item No. 11.—Opening out a new deviation for the Varada river on Sorab-Siddapur road.—The present approach to the crossing of the Varada in the 9th mile will be under floods for three months in the year. It is in level of the adjoining paddy flats and consequently very heavy. A new diversion is necessary. Its length being about one mile, the cost will be about Rs. 2,000, for which Rs. 1,000 is now provided.

Item No. 12.—Bridging Aragadahalla on the Tirthahalli-Anantapur road.—This river is a branch of the Kushavati near Tirthahalli. Bridging of this stream formed part of a project for completing the bridge on Anantapur-Tirthahalli road estimated to cost Rs. 49,670, but kept back for want of funds. As there is no immediate project of taking up the whole work from paucity of District Funds, the more important bridge across the stream which intercepts traffic during monsoon between Humchakatta, Tirthahalli and Agumbi is now provided for.

Items Nos. 13, 14, 15.—These items are for completing the road systems partially opened in previous years. They are all important link lines connecting parts of the unopened Malnad with the present system.

II. Repairs.—Under this head Rs. 30,870 has been entered against Rs. 26,605 of last year. The increase is due, firstly to enhancing the mileage grant for Siralkoppa-Hirekerur road from Rs. 60 to 100 and for Shimoga, Sorab-Sirsi road from Rs. 60 to 75, the former grants being proved inadequate to maintain the roads against the increase of traffic; secondly to enhanced provision under "Reserve" to meet the cost of re-building some of the urgent old log tunnels with new pakka materials, and thirdly to increase in the total length of miles to be maintained since opening the road from Channagiri to Malebennur. The total number of miles maintained last year was Rs. 450 and this year 21 miles are added.

III. Establishment.—The allotment for establishment is increased *prorata* to the expenditure budget for.

IV. Tools and Plant.—The same provision is made under this head as in last year.

V. Reserve.—Not provided for separately, the necessary requirements being entered under the respective heads of I and II.

B Public Works (to be maintained by Revenue Department).—The increase in the allotment for the maintenance of cart-tracks under II. Repairs is due chiefly to the addition of twenty-eight miles to the length maintained last year. These tracks are very useful and the raiyats in many instances have been doing much work in maintaining them. Other provisions are practically the same as in last year.

C. Civil Charges.—The charges are less by Rs. 900 than last year's. This is due to the reduction of charges under conservancy and sanitation, the reduced allotment being found sufficient. Other smaller deviations are explained in the remarks column.
